## INTRODUCTION :

Tamulpur Degree College, a naturally beautiful campus surrounded by beautiful greenfield is situated in the heart of Tamulpur with an atmosphere of educational rhythm. It is very near to Tamulpur Commerce College (Jr.), Barkhopa High & Primary School and well known 107 mtg Brigade Army Head Quarter. One can reach the college in a walking distance of 100 mtrs from the main road connecting Rangia, Darranga & Nagrijuli. Commercial vehicles such as bus and different type of vehicle services are available in the main road near the college gate.

- Tamulpur Degree College was established to fulfill the hopes and expectations of the people as there was a lack of higher educational Institution in the locality.
- To provide educational facilities to the students particularly belonging to the socially and economically backward communities.
- To impart education in Arts and incorporate a feeling of brotherhood among the students with the purpose of making them capable and resourceful citizens.
- To provide exclusive facilities to the students for their physical, intellectual moral and cultural development.
- To create a healthy academic atmosphere in the locality.
- To produce quality students equipped with moral, spiritual, aesthetic values to face the challenges of life.
- To create a pragmatic approach in the mind of the students on the socio-economic realities of life.
- To take such other academic programmes as may be deemed necessary from time to time.
- To ensure active and equal participation of students in the process of decision making in all spheres of life.
- To inculcate social awareness and responsibilities in students enabling them to make a meaningful contribution to the society and nation as a whole.

## MISSION & VISION :

- To develop the framework for effectively conducting various educational skill development programmes of the highest standard so as to produce confident, self-reliant and responsible youth for the society and outstanding professionals for government, industry and business.
- To address challenges in rapid shifts in the nature of demand for skills by emphasizing on development mass approaches to provide more customized Training / Programme.
- Founded with a vision to empower youth, we always strive to help the students to develop a capacity to think, lead and change the world.
- To nurture all round individuals and devote ourselves to the discovery, advancement, transmission and application of knowledge that meets the needs of our society and the global community.
